

The Dandi Awards - Sponsorship Opportunity

The Dandi Awards are presented by **e2e Connect**, a local organization formed by a small group of Tallahassee entrepreneurs who believe in collaboration over competition. The idea is simple; recognize the accomplishments, publicize the grit, acknowledge the determination and celebrate the courage of those who live the American Dream by starting their own business.

The first annual Dandi Awards will honor Tallahassee's local small business owners and the value they provide our community. Hotel Duval will host 150 guests in the Horizon Ballroom on Thursday, October 6th at 6 p.m. To celebrate the evening, **e2e Connect** will provide a networking reception, heavy hors d'oeuvres and culminates with the Dandi Awards ceremony.

Learn more about this partnership of local entrepreneurs, community leaders, collaborators and other sponsors on our website at www.e2econnect.org.
